NOTICE OF APPOINTMENT

Subject: Exclusive Representation for Original Equipment Manufacturer (OEM)
Overhaul Service and Repair

To Whom It May Concern:

Carver Pump Company hereby acknowledges that Dresser-Rand Company is its exclusive Overhaul Service and Repair Representative for the Military Marine industry. As such, Dresser-Rand is fully supported by Carver Pump and meets all requirements of NAVSEA Standard Item 009-90 including the following:

- Technical knowledge of Carver Pump equipment and a history of successful repair performance on similar equipment.
- Demonstrated competency in analyzing repair requirements and process performance and making recommendations based on process or disassembly inspection results.
- Access to Carver Pump Original Equipment Manufacturer (OEM) proprietary plans, procedures, material and parts.

The appointment is based on Dresser-Rand's technical knowledge and extensive experience in troubleshooting, repair and overhaul of Carver Pump product lines.

In concert with the NAVSEA Standard Item Number 009-90 qualification requirements for technical representation, Dresser-Rand will use OEM proprietary plans, specifications, procedures, material and parts to effect assessment, overhaul and repair of Carver Pump Military and Marine equipment.

Sincerely,

Fran Girona
Navy/Marine Manager
