Curtiss-Wright
Engineered Pump Division
Electro-Mechanical Corporation
222 Cameron Drive, Suite 200
Phillipsburg, NJ 08865

15 January 2008

NOTICE OF APPOINTMENT

Subject: Exclusive Representation for Curtiss-Wright Engineered Pump Division
Original Equipment Manufacturer (OEM) Overhaul Service and Repair

To Whom It May Concern:

Curtiss-Wright Engineered Pump Division (CW-EPD) hereby acknowledges that Dresser-Rand Company is its exclusive Overhaul Service and Repair Representative for selected Military Marine industry products. As such, Dresser-Rand has the full support of CW-EPD and has demonstrated compliance with all requirements of NAVSEA Standard Item 009-90 including the following:

- Technical knowledge of CW-EPD equipment and a history of successful repair performance on similar equipment.
- Demonstrated competency in analyzing repair requirements and process performance and making recommendations based on process or disassembly inspection results.
- Has access to CW-EPD Original Equipment Manufacturer (OEM) proprietary plans, procedures, material and parts.

This appointment is based on Dresser-Rand's technical knowledge and extensive experience in troubleshooting, repair and overhaul of CW-EPD's product lines.

In concert with the NAVSEA Standard Item Number 009-90 qualification requirements for technical representation, Dresser-Rand has committed that they will use OEM proprietary plans, specifications, procedures, material and parts to effect assessment, overhaul and repair of CW-EPD Military and Marine equipment.

Sincerely,

Francis J. Arsi
Director, Marketing & Contracts
Curtiss-Wright EPD
